**Congratulations from Congressman Michael M. Honda on the  
Occasion of the 3<sup>rd</sup> Annual Special Festival**

**May 18, 2007**

It gives me great pleasure to congratulate the Organization of Special Needs Families (OSF) on its 3<sup>rd</sup> Annual Special Festival in Cupertino, CA. This two-day event is an excellent opportunity for the community to gather in celebration to support our special needs friends and their families.

Since 2002, OSF has provided training and consultation for parents, as well as information and referral services to support Bay Area families with special needs children. Recruiting and training over one hundred student volunteers from local high schools, OSF has shown a commitment to community inclusion and education. Furthermore, this organization currently provides numerous special needs individuals with the professional training needed to become active members in the community.

Once again, I offer my congratulations to the Organization of Special Needs Families on its 3<sup>rd</sup> Annual Special Festival and offer my best wishes for a promising future.

With warmest regards,

*Michael M. Honda*
